

TURF TIDY

1310/1710

The Redexim North America Turf Tidy is one of our most versatile machines incorporating de-thatching, verticutting, flail cutting and sweeping. Turf Tidy's fully floating cutting head follows the grounds' contours, ensuring accurate cutting and pick-up. The unique turbo fan makes a clean sweep of leaves, pine needles, paper and grass clippings. The large hopper means less time emptying and its high lift allows greater clearance when tipping.

TURF TIDY 1310/1710

The Turf Tidy is ideally designed for use with a tractor of 20 hp or more, depending on the tractor and type of application. As an option, the 1310 is close coupled to the tractor's 3-point linkage and runs on two castoring wheels by tractor PTO. The 1710 is trailed by a standard draw bar and powered by tractor PTO. The fully floating, bearing mounted cutting head is designed to follow the contours of the ground, ensuring clean, even pick-up. The whole unit runs on large rear "flotation" wheels to minimize compaction.

WORKING SPECIFICATIONS

Model	1310	1710
Working Width	60" (1.5 m)	72" (1.8 m)
Tractor speed @ 540 rpm at PTO	Sweeping: 0.6 mph - 6 mph (.9 km/h - 9.7 km/h) Scarifying: 0.6 mph - 3 mph (.9 km/h - 4.8 km/h) Flail mower: 0.6 mph - 1.5 mph (.9 km/h - 2.4 km/h)	Sweeping: 0.6 mph - 6 mph (.9 km/h - 9.7 km/h) Scarifying: 0.6 mph - 3 mph (.9 km/h - 4.8 km/h) Flail mower: 0.6 mph - 1.5 mph (.9 km/h - 2.4 km/h)
PTO speed	Up to 540 rpm	Up to 540 rpm
Weight	1,960 lbs (889 kg)	2,180 lbs (989 kg)
Slit spacing side to side (scarifier)	0.95" (24 mm)	0.95" (24 mm)
Min. tractor size	As sweeper: 20 hp (15 kW) As scarifier: 28 hp (21 kW) As flail mower: 35 hp (26 kW)	As sweeper: 25 hp (18.6 kW) As scarifier: 32 hp (23.9 kW) As flail mower: 40 hp (29.8 kW)
Tractor hydraulic requirements	Single acting outlet Maximum 2,500 psi (175 bar)	Single acting outlet Maximum 2,500 psi (175 bar)
Tractor hitch	Trailed ring and pin	Trailed ring and pin
Optional	Short coupled at 3-point bottom arms	
Hopper Capacity	63 cu ft (1.8 cu m)	81 cu ft (2.3 cu m)
Tipping Height	67" (1.7 m)	67" (1.7 m)

FEATURES / BENEFITS

FEATURE	BENEFIT
Three in one multi-function head	Save time and money
Floating head on twin rollers	Works great on roads
Second turbo rotor fan	No spill or drop - works better on roads
Adjustable hitch	Fits all tractors
Split belt drive	Plenty of power without slip
Quick change blades and brushes with forward access	Saves time
